

KYLE O'CONNOR

WEB DEVELOPER & DESIGNER

 London, United Kingdom
 07786 818 682
 kyle1359@gmail.com
 <https://kyleo.co.uk/>

PROFILE

After completing my degree at Bradford University, I relocated to London to start my vocation in web development. Now I wish to seek an opportunity to further my skills and position in a new and challenging environment.

I wish to become proficient & experienced in all aspects of front-end web development with further interest in becoming full-stack.

I have consistently proven to be a competent, reliable, punctual, and committed member of staff.

EMPLOYMENT HISTORY

Resknow • Sidcup, London — *Developer & Designer*

APRIL 2021 - PRESENT

Just started

WORDPRESS, CSS, PHP, ADOBE XD, GIT

Vividise • Greenwich, London — *Lead Developer*

JUNE 2016 - APRIL 2021

Personally overseen over 400 website builds, integrating approved designs into CMS for client usability and editability.

Over the years I have worked on maintaining the wireframe, created templates, fixed browser bugs, making dynamic content user friendly, setup development environments and sourced/created code snippets.

My duties also extend to communicating with other departments & directing the development department with training and meetings.

SASS, JAVASCRIPT, JQUERY, ASP, GULP

RPA Design • Saltaire, Yorkshire — *Developer internship*

DECEMBER 2015 - MARCH 2016

Integrated a client's design into a WordPress theme.

WORDPRESS, CSS, BOOTSTRAP, PHP
